考试最新动态：进展和下一步措施

第三级资格认证成绩

影响第三级资格认证考试成绩的问题现已解决。2026 年的考试正在正常处理中。

2025 年 10 月、11 月和 12 月提交的考试成绩，我们一直在分批发布。由于这些成绩需要额外的人工核查以确保其完整性和准确性，发布进度会慢于预期。

我们的团队正在加速并认真处理剩下的成绩，预计将于 2 月底前公布所有未出成绩，并恢复正常出分周期。我们深知及时出分的重要性，对于此次延误给您和学生带来的影响深表歉意。

第四级葡萄酒文凭认证成绩

我们现在会在第四级文凭认证课程学生的通知函中附上全新的进度说明，方便学生清晰查看各单元成绩，符合条件者还可获取电子证书。

偶尔因系统中存在重复考生记录，进度说明可能显示不完整。如发现此类情况，请联系[考试团队](#)，我们将合并记录并及时重新生成正确文件。

利益冲突政策提醒

WSET 必须识别、监控并管理所有实际及潜在的利益冲突，以维护我们资质的公信力。

合作伙伴在为任何可能存在利益冲突的学员（无论来自本机构还是其他机构）注册前，须提前通知治理[管治团队](#)。此要求适用于所有资格认证，包括所有第四级文凭课程的注册及考试。

提前通知有助于商定适当的缓解措施，并可避免考生处理流程有所延误。

如果您不确定某种情况是否构成利益冲突，请提前联系管治团队以获取建议。

分校点和第三方活动

合作伙伴仍负责监督所有分校点以及与 WSET 资格认证的提供或推广相关的任何第三方活动。

虽然现在对第三方广告和付款方式有了更大的灵活性，但以下要求仍然适用：

- 所有广告**必须**清楚地标明合作伙伴名字，并包含适当的联系方式。
- 不得对 WSET 课程或考试实施进行分包或特许经营。
- 所有第三方活动必须符合 WSET 的营销、品牌、数据保护和政策要求。

我们近期注意到，部分课程宣传中未能清晰显示对应的合作伙伴信息，此类情况有所增加。请确保所有活动符合上述要求，以避免后续或整改措施。

详细信息请参阅[合作伙伴手册](#)。

如果您对上述内容有任何问题，请联系相关团队或您的合作伙伴拓展团队联系人。

Exams update: progress and next steps

Level 3 results

The issues affecting Level 3 results have now been resolved. We're now processing exams sat in 2026 as normal.

We've been gradually releasing results for exams returned in October, November and December 2025. This process has been slower than we would like, as these results require additional manual checks to fully guarantee their integrity and accuracy.

Our teams are working through the remaining results as quickly and carefully as possible, and we expect to issue all outstanding results – and return to normal results turnaround times – by the end of February. We recognise the importance of timely results and apologise for the impact these delays have had on you and your students.

Level 4 Diploma results

We now include a new statement of progress with Diploma student letters, giving students a clear view of their results across all units and access to their digital certificate where applicable.

Occasionally, a statement of progress may appear incomplete due to duplicate candidate records. If you spot this, please contact the [Exams team](#) and we'll merge the records and regenerate the correct documents promptly.

Coming soon: Level 3 Award in Wines update

We're updating the WSET Level 3 Award in Wines to better reflect how wine is taught, tasted and understood today, strengthening analytical tasting skills and introducing more flexible

digital support for students and educators. Clear guidance and training on the changes will be shared in phases well ahead of the launch.

Conflicts of interest policy reminder

WSET must identify, monitor and manage all actual and perceived conflicts of interest to protect the integrity of our qualifications.

Course providers must notify the [Governance team](#) before enrolling any candidate who may present a conflict of interest, whether at their own organisation or another. This requirement applies across all qualifications, including all Level 4 Diploma registrations and exams.

Early notification allows appropriate mitigations to be agreed and helps avoid delays to candidate processing.

If you are unsure whether a situation constitutes a conflict of interest, please contact the Governance team for advice before proceeding.

Satellite venues and third-party activity

Course providers remain responsible for oversight of all satellite venues and any third-party activity connected to the delivery or promotion of WSET qualifications.

While greater flexibility around third-party advertising and payment handling is now available, the following requirements remain in place:

- All advertising **must** clearly identify the course provider and include appropriate contact details
- Subcontracting or franchising WSET course or exam delivery is not permitted
- All third-party activity must align with WSET marketing, branding, data protection and policy requirements

We have recently seen an increase in course advertising where the associated course provider is not clearly visible. Please ensure all activity complies with the above to avoid follow-up or corrective action.

Full details are available in the [APP Handbook](#).

If you have questions about any of the above, please contact the relevant team or your APP Development contact.
